The strength of a global brand

Engineered to perform

For over 70 years, Teco has delivered market-leading Electric Motors worldwide, powering the largest machines in different plants. Our unwavering commitment to innovation, customer-centricity, and global leadership has firmly established us as a trusted industry partner.

With a rich history and extensive presence, TECO is the premier choice for businesses seeking Electric Motors and Variable Speed Drives. Driven by an unyielding pursuit of excellence, we remain steadfast in our mission to deliver state-of-the-art products and services that empower industries worldwide.

The quiet achiever

With a remarkable legacy spanning over 50 years in Australia & New Zealand, TECO is recognised as a leading brand in industrial Electric Motors and Variable Speed Drives, trusted for our commitment to excellence. TECO takes great pride in being a reliable supplier of superior quality industrial solutions. Our extensive product portfolio includes Low, Medium and High Voltage , High Efficiency, and Hazardous Area Motors , designed specifically to withstand the toughest industrial and mining conditions. Additionally, we provide Low and Medium Voltage Variable Speed Drives & Automation Equipment, meticulously tested and manufactured to meet the highest industry standards.

Optimal Efficiency and Reliable Support

We fully recognise the critical importance of efficiency and reliability in industrial operations. That's why our solutions deliver optimal performance and dependable operation, even in the most challenging environments.

At TECO, we value accessibility and convenience, ensuring a vast stock range across five regions in Australia and New Zealand. This enables swift order fulfillment and minimal lead times, helping our customers keep their operations running smoothly.

Our dedicated after-sales support team is always available to address any queries or concerns. We understand that prompt assistance is essential, and we are committed to providing timely and reliable support whenever needed. Our knowledgeable team is ready to offer guidance, troubleshooting, and any necessary assistance to ensure our customers' satisfaction and success.
