Why Choose TECO

Global Expertise

Leading brand in industrial Electric Motors and Variable Speed Drives, trusted for our commitment to excellence.

Premium Quality

Extensive experience in delivering high-quality electric motors and drives has made us the preferred choice across a wide range of industries.

AU \$30M Stock Availability

Vast stock range across Australia and New Zealand, enabling our customers to keep operations running smoothly.

3 Business Units

Extensive product portfolio includes Low Medium and High Voltage, High Efficiency and Hazardous Area Motors. Low and Medium Variable Speed Drives and Automation Equipment.

In-House Modification

TECO Mod Shop is fully authorised to produce Ex-tD/tb, Ex-na and Ex-e motors, as well as to make modifications to Ex-d and Ex-de motors.

Teco App

Real Time access to technical selection and support documentation for our most popular motors and drives anytime, anywhere.

Making our clients everyday life easier

I appreciate the excellent assistance from your team member during all our inquiries. Many thanks for the support, prompt responses, and constant willingness to help. We understand the effort involved before seeing results, and we look forward to building more momentum and securing additional orders. Customer from Boksburg South Africa I just want to take this opportunity to thank you for all of your co-operation with the 2800kW, 11,000 Volt, TECO motor which was recently supplied to Qld. I believe that I speak on behalf of my team when I say that the finished product was supplied exactly as

requested and met all expectations. This certainly does cement my faith in TECO as a supplier of HV motors. Congratulations to all concerned on a job well done. Customer from QLD Some good work which is appreciated. Thanks, TECO sales and ModShop for your assistance and dedication. Customer in SA and NT Book a Consultation Have questions or need assistance? Reach out to us through the contact form, and we'll be happy to assist you.
