Protecting Animals with TECO: A Partnership with SPCA

Posted on December 4, 2024

Caring for animals is a cause that touches the hearts of many. Across New Zealand, SPCA works tirelessly to ensure that vulnerable animals are protected, nurtured, and given a chance for a better life. At TECO Electric Motors, we're proud to contribute to this noble mission.

This December, we're donating 1% of sales from our painted motors to SPCA. This collaboration reflects our commitment to giving back to the community and creating a positive impact where it's needed most.

Why Supporting SPCA Matters

Every year, thousands of animals in New Zealand face neglect, abuse, or abandonment. The SPCA plays a vital role in rescuing these animals, providing medical care, rehabilitation, and finding them loving homes. By supporting this initiative, you're directly helping animals in need.

How to Join the Campaign

Joining this meaningful campaign is simple:

Place your order for any painted Electric Motor or Variable Speed Drive during December.

Include the phrase "Support SPCA in New Zealand" in your order.

TECO will donate 1% of sales from painted motors to SPCA to support their incredible work.

Your Impact

Every purchase made as part of this campaign helps provide resources, shelter, and care for animals in need across New Zealand. Together, we can support SPCA's mission to create a kinder, safer future for vulnerable animals.

Join Us

Let's work together to protect New Zealand's animals. By choosing TECO this December, you're not just investing in reliable technology—you're contributing to a cause that makes a difference. Contact us at sales@teco.co.nz

Thank you for standing with us and supporting this incredible initiative. Together, we can make a real impact.

Warm regards, The TECO New Zealand Team
