TECO Expands to Christchurch: A New Era of Local Support

Posted on January 15, 2025

We are excited to share the news of TECO Australia and New Zealand's latest expansion – our new branch in Christchurch, located at 11 Container Drive, Rolleston, Canterbury 7614, New Zealand . This milestone brings us closer to our valued customers in the region, reaffirming our commitment to delivering world-class solutions with unmatched convenience.

What this means for your business:

Immediate Access to Local Stock No more waiting for essential equipment. With a wide range of electric motors and variable speed drives now available locally, your projects can move forward without delays.

Customized Solutions at Your Doorstep Our on-site ModShop is designed to cater to your unique requirements. Whether you need modifications or bespoke solutions, we have the tools and expertise to deliver precisely what you need.

Expert Guidance and Support Our team of local professionals understands the challenges businesses face in the region. They are ready to provide advice, technical expertise, and tailored recommendations to help you optimize efficiency and reduce costs.

Why Choose TECO in Christchurch? This new branch is more than just a location; it's a commitment to empowering businesses in the region. With shorter lead times , lower costs , and customized solutions , TECO Christchurch is set to transform the way you approach industrial and commercial operations.

Visit Us Today Our new facility is ready to serve you. Come by and experience how TECO's innovative solutions can help your business succeed.

Address : 11 Container Drive, Rolleston, Canterbury 7614 **Contact us :** Our Christchurch team is here to assist with your inquiries and ensure you get the support you need to thrive. Tel: +64 9 526 8480
Email: sales@teco.co.nz

Let's Partner for Success Discover the TECO difference and see how we can help your business grow. Stop by our new Christchurch branch or get in touch with our team today. Together, we'll power a brighter and more efficient future for your business.
